Good Afternoon,

I hope this finds you well and healthy. I know [REDACTED] checked in on the first day of school and things were good for M [REDACTED]. Just checking in to see how the new placement is doing.

Also I received a phone call from the attorney who is repressing the Hicksville School district and many others in regards to the formal Impartial Hearing the was filed against the district.

He is compiling information from all district and asked if he can include the e-mail that you sent me stating that you did not hire an attorney to file against t the district.

I told him I would reach out to you and t only with your permission .

Please let me know if he can include it.

Thank you

Claire
